Digital Transformation: The Harmonic Convergence of People, Culture, Process, and Technology in the New Normal

MakeLearn and TIIM International Conference
Hybrid Conference · 19–21 May 2022
Kaunas, Lithuania & Online

International School for Social and Business Studies, Slovenia, School of Economics and Business, Kaunas University of Technology, Lithuania, Maria Curie-Skłodowska University, Poland, and Kasetsart University, Thailand, and Pegaso International, Malta would like to cordially invite you to participate at the MakeLearn and TIIM International Conference 2022. Academics, scientists, professionals, managers and editors from all over the world will have the opportunity to share experience, bring new ideas, debate issues, and introduce their latest developments in the largely multidisciplinary fields of research embraced by the MakeLearn and TIIM scientific communities, from social, organizational and technological perspectives. MakeLearn & TIIM Conference the conference takes place in May, each year in a different European country or online.

MakeLearn & TIIM Conference encourages the sharing of most recent developments in the fields of management, economics, technology, and education. By including experiences and young academics and practitioners from all continents, it also encourages discussion and the exchange of knowledge between academia and businesses (formal sessions and social events) and offers a variety of publishing opportunities. This year's focus is on digital transformation leading to the new normal.

We look forward to receiving your contributions and kindly ask you to disseminate the call to other possible interested participants or institutions.

Kaunas 2022
European Capital of Culture

MakeLearn and TIIM International Scientific Conference is organised by the International School for Social and Business Studies, Slovenia, Slovenia, Maria Curie-Skłodowska University, Poland, and Kasetsart University, Thailand in cooperation with other international partners. The conference takes place in May, each year in a different European country.

MakeLearn, Conference on Management of Knowledge and Learning encourages sharing of most recent developments in the fields of management and management of knowledge. By including individuals from major regional businesses it also encourages discussion and the exchange of knowledge between academia and economy. Although the general themes of the conference remain the same, each year the focus of the conference is adapted to regional and global findings, occurrences and needs of the time.

TIIM Technology, Innovation and Industrial Management International conference promotes the exchanges, discussion, and dialogues on how to manage industrial operations and organisations in more innovative, efficient, and productive manners. The sustainable development and the continuous improvement as a result of technological applications and organisational innovation are the focal points of the conference.
